"I think Rosina's Signature Pizza Toppings are very well balanced. Rosina did a great job as far as mildly seasoning the sausage through, which balances out the other ingredients we use on our Neapolitan pizzas." - Chef Gianni Gallucci

OUR "PRIMO" SELECTION for all your topping needs.

Inspired by old neighborhood tradition and delivering peak flavor with both traditional and today's on-trend cooking styles, we offer the perfect variety to satisfy the diverse tastes of today's consumers:

- Authentic Italian choices with consistent made-from-scratch taste
- Versatility and fresh homemade flavor for any daypart or application
- Achieves optimal moisture levels at any oven temperature
- Random appearance that looks handcrafted for your customers
- Frozen fresh for ease and convenience

Beef

Our beef meatball topping delivers the authentic look and fresh taste as if you ground the beef and prepared it yourself.

Italian Sausage

Our ground Italian sausage looks as if you just squeezed it from the casing. It is a great topping for pizza, but it is versatile for use in calzones or any of your own signature creations. Our sliced sausage is cut on the bias and has a random, freshly cut appearance.
